

COI Refresher Training

1. Go to: <http://www.oria.cornell.edu/training/citi/login/index.cfm>. Use your Cornell NetID and password to log in and you will be directed to the CITI training website.
2. Under "Cornell University Courses," click on the course called, "What you need to know about NIH regulations on Financial Conflicts of Interest (FCOI)." If your training is set to expire within three months, you will automatically be directed to the refresher COI training course. Do **NOT** click "Add a course." If you do, you will have to complete the entire original training instead of the shortened refresher course.
