

RCR - Full Course

1. Go to <http://www.oria.cornell.edu/training/citi/login/index.cfm>. Use your Cornell NetID and password to log in. You will be directed to a training website called CITI. **If you need help accessing this site, email rcr@cornell.edu.**
2. After logging in you should see this page:

3. Click on "Cornell University Courses." Then click on "Add a Course or Update Learner Groups."
4. Scroll down to "Question 3." Check the box to choose **one** course from the list.

RCR-Full (Full Course on Responsible Conduct of Research for Researchers Funded on NSF, NIH or USDA-NIFA Awards)

This Responsible Conduct of Research (RCR) course is required for students and post-docs paid on all NSF, all USDA-NIFA, and some NIH awards. It is also recommended for anyone engaged in research of any kind. Completing any one of the courses below will fulfill this requirement. Choose the course option that best fits your research area. For more information, visit the Cornell RCR website: <http://www.oria.cornell.edu/rcr/>.

Choose all that apply

- Full Course on RCR for Biomedical Sciences
- Full Course on RCR for Engineering
- Full Course on RCR for Humanities
- Full Course on RCR for Physical Sciences
- Full Course on RCR for Social & Behavioral Sciences

5. Scroll to the bottom of the page and click "Submit."
6. You will be taken back to the "Main Menu". You will now see the course under "Cornell University Courses"
7. Click [RCR-Full \(Full Course on Responsible Conduct of Research for Researchers Funded on NSF, NIH or USDA-NIFA Awards\)](#) # [@ 8k--](#) o
8. You can now begin the first training module. After reading each module you will take a quiz to test your knowledge. You must pass each quiz. If you fail a quiz, you will be shown correct answers to the questions. Then you can return to the module and re-take the quiz. You can repeat a module and quiz as many times as you need to pass.
9. **If you need help or have questions, please email rcr@cornell.edu.**
